WELCOME & INTRO

Welcome! – from our Indonesian Hosts Ps Daniel Pandji & Ps Aristarkus Tarigan

OPENING GREETINGS FROM OUR INDONESIAN HOSTS

Ps. Daniel Pandji - Co-Chairman of the WPA 2.0 Committee

On behalf of international committee and many international partners would like to offer a warm welcome to our global family who are attending WPA 2022 online!

We are honored to have your special company and to serve you as fellow disciples in this significant season. By the grace of God we've now passed through challenges after the pandemic situation.

WPA 2022 is a global awakening across the church after the lockdown situation affected the world. We would ask for the spirit of God to release a trumpet-call of awakening!

MAY 17th - 19th 2022

Each of your presence is very important to accomplish the strategic plan of the Great Commission. Over these next three days, we are going to collaborate together in prayer and mission across generations to see a global movement launched to reach the remaining unreached people groups of the world - in the spirit of Habakkuk 2:14!

This is a very significant movement of togetherness as one. We will look up and we look forward, all for His Glory.

Every Blessing to each one of you!

Ps. Aristarkus Tarigan - National Mobilization Coordinator

On behalf of the Indonesian committee, I would welcome you as part of the worldwide Church and prayer and missions movements. We are expectant of a 'New Wave' in this significant season.

More than five hundred cities are ready to join in this event across Indonesia!

I believe that each one of us are servants who become clay in God's hand as we look forward expectantly to how we are going to be moulded individually and together during this event.

This is another historic moment that follows on from WPA 2012. For me it is a great honor to be serving with each one of you.

Welcome to Indonesia (online)!

Introduction to WPA 2.0 - Dr Jason Hubbard – Co-Chairperson

On behalf of International Prayer Connect, MY Home Indonesia and many international partners, we would like to welcome you to this very important and significant worldwide event - the World Prayer Assembly 2 (WPA 2.0)!

Many thousands of Christians from worldwide Churches and Prayer and Mission organizations are expected to be taking part in this unique, 10-yearly gathering, and we are so pleased that you are joining us!

Here's a little more about the story of WPA 2.0...

The [World Prayer Assembly in 2012](#) released a 'New Wave' - connecting prayer, and missions movements worldwide to fill the earth with the knowledge of God's glory (Hab. 2:14). And now, our vision is that WPA 2.0 will continue to unite the Body of Christ to build upon this foundation in prayer and work together to bring the Gospel, the Good News of Jesus to all the world's peoples and cities before He returns (Matthew 24:14).

The Program in Brief...

We are gathering **online** with a vision 'to catalyze united prayer across nations, denominations, and generations for the fulfilment of the Great Commission.' We are joining together united prayer as God's Global Family, through our gracious hosts, broadcasting and connecting us all from Indonesia.

Daily Plenary Prayer Celebrations - We are coming together each day for Prayer Celebrations focused on 3 primary areas of prayer, missions and the generations! We will learn from Indonesia the first night, we will focus on the nations the second night and we will focus on the generations the 3rd night, led by young people!

MAY 17th - 19th 2022

11 Regional Prayer Assemblies - Across each of the 3 days, we will hear from key leaders in 12 different regions of the world. We will discover how we can pray with them in agreement with what God is doing in their parts of the world!

During both the Regional gatherings and the daily plenary Prayer Celebrations, I believe God will lead us in two directions ... first

“Looking Up” - experiencing times of Spirit-led, Christ-exalting worship and praise, as we behold the Lord together, we will humble ourselves, repent of our sins and turn back to God... together we will return to our First Love the Lord Jesus... We will pray together for Jesus Christ to be exalted in the nations, we will come

together as God's global family because of the Absolute Worth of Jesus, He is Worthy, he is all deserving of all of our worship, and all of our obedience.

We will pray for a global Christ - awakening in the church, after these 2yrs of COVID, we will ask for the Spirit of God to release a trumpet call of awakening, where the Holy Spirit will use the Word of God to re-awaken God's people back to God's son for all that he is!

“Looking Forward” - collaborating together in prayer, missions and generations to see Gospel movements launched in the remaining unreached people groups of the world.

We will ask the question together, 'What's it going to take to finish the Great Commission' How do we finish the task? We have to mobilize for a Bible, a believer, and a body of Christ within everybody's distance. Everybody needs to know somebody who's a Christian. Everybody needs to have access to scripture. Everybody needs to have a church that they can get to.

In the next 365 days, 74 million people will die in the world, and most of them will go into eternity without Christ. We need to see every believer be a witness... everyone can reach someone and together we can reach the world for Christ! But this won't happen with a massive tsunami of breakthrough prayer raised up in the nations!

110 Cities...

As we look forward into this next decade, coming out of WPA 2.0 we want to raise up a global canopy of united, strategic and sustainable prayer for 110 unreached cities of the world. 98 percent of the remaining unreached peoples are found in

these cities. We are asking God to raise up 110 million people to pray 15 minutes a day for these 110 cities, praying for a Bible, A believer and a body of Christ to be established in each one of them...

The largest house churches right now in the world are training and sending workers to these cities to plant churches and make disciples. They are Ripe for the Harvest! As Jesus said in Luke 10:2, "The harvest is plentiful, but the laborers are few. Therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."

The context of these verses shows us that Jesus was going from city to city preaching the gospel of the kingdom and now he is sending his disciples to follow him going city to city, village to village.

So during this World Prayer Assembly 2.0 we will ask the Lord of the Harvest to hurl forth laborers to reach these 110 cities for Christ to finish the task of the Great Commission in our generation!

Together as ONE, We will look up and we look forward all for His Glory, for our Joy and for the salvation of the peoples of the earth! Amen and Amen!
Please feedback to us!

If the Lord gives you a strong impression or word that you are sure comes from Him, please share it in writing in the chat or by email to wpa2022@ipcprayer.org We want to keep open before God who we believe will be speaking through many different people and in many different ways during this gathering.

Glory to the Lamb!

MAY 17th - 19th 2022

Foreword – from John D Robb, 2012 Chairperson

Welcome to the World Prayer Assembly 2.0 “Blessing all nations, peoples and cities with the transforming love and goodness of our God”!

The theme of World Prayer Assembly (WPA) 2012 was A New Wave is Coming. It is taken from Habakkuk 2:14. The prophetic affirmation of Habakkuk, who in a time of great turmoil much like our world is experiencing now, declared that the earth would be “filled with the knowledge of the glory of the Lord as the waters cover the sea’

We believe that WPA 2.0 like the original WPA will continue to be a catalyst for the fulfillment of God’s promises as the ancient prophet foresaw. The prayer and mission movement of Christ’s global Church, building and flowing together in heart unity, will become a great tsunami of God’s blessing and transformation for our sin-besieged and tormented world.

When God’s people unite in prayer across the nations, the Lord will do “far more abundantly than we ask or think” to bring about His good purposes, bringing salvation and deliverance to our world which is so challenged by pandemics, wars, economic disruptions, and false ideologies that threaten its peace and wellbeing. God so loved this world He gave His Son for the purpose of saving and freeing us from such destructive developments and specially to bring all human beings into His eternal family.

In the program guide welcome to the participants of the last World Prayer Assembly in 2021, I wrote:

“Welcome to a time of encounter with the living Lord. Welcome to a time that has the potential to shape the future history of His Church and our world. Let’s keep our hearts and ears attuned to His gentle voice, stationing ourselves at the watch like the ancient prophet Habakkuk to see what he will say; or like the five leaders at Antioch who gave Him “God-room” to communicate His will and strategy for the launch of the world mission movement. The Lord is among us as He promised to be when His people gather. Let’s make the WPA an extraordinary time in His presence, letting Him be God among us, guiding, anointing, empowering each session!

That statement is still so relevant to the current WPA and our converging together

in united prayer. Whether you are in Indonesia or across the world in other nations participating by live streaming, let the Lord renew your strength, joy, and love as we all wait upon Him during these special days together.

What is WPA? – A short history

The first International Prayer Assembly was held in Korea in 1984. It was a powerful rocket thrust that ignited many of the national and regional prayer efforts we see in force today .. The International Prayer Assembly was catalytic in encouraging the formation of many such national and international networks as well as numerous special prayer initiatives that the Lord used to bless His Church and bring transformation to the nations.

After more than 27 years, we believed that there was a huge need to held another International Prayer Assembly that was called the World Prayer Assembly (WPA).

-What is WPA?

World Prayer Assembly (WPA) is not an organization. It is a prayer assembly for Christian leaders from various churches and Christian organizations around the world in order to seek God's plan for bringing transformation to the nations. The World Prayer Assembly was held on May 14-18, 2012 in Jakarta, Indonesia. It was a privilege for Indonesia to host this divine assembly. South Korea assisted the event as a co-host.

The Theme

The theme of World Prayer Assembly (WPA) 2012 was A New Wave is Coming. It was taken from Habbakuk 2:14. The prophetic affirmation of Habbakkuk, who in a time of great turmoil much like our world is experiencing, declared that the earth would be

“filled with the knowledge of the glory of the Lord as the waters cover the sea’.

We believed that WPA 2012 was a stepping stone to see the fulfillment of God’s promises as written in Habakkuk 2:14. The prayer and mission movements moving together like two streams flowing as one river, integrating and supporting one another, would be the way Habakkuk’s word would be fulfilled.

WPA 2012 saw many new partnerships forged across the nations, denominations and generations. We have seen a step-change and a huge momentum of activity as the prayer and mission movements have collaborated in taking the Gospel to the unreached nations of the world with prayer valued as the ‘boiler-house’.

Some leaders gathered as the 10-year anniversary of WPA 2012 was approaching and sensed that we were being called to draw everyone together once more, to seek the Lord and to hear from him and each other as we prayerfully discern the steps we should be taking this next decade.

From there, WPA 2.0 was birthed!

Due to the pandemic and its ongoing effects, the natural solution would be to meet online, as many of us have been for 2 years. So, 100 or so leaders will be hosted in Indonesia from where they will be streaming an inspirational program, with remote contributions and participation from many tens of thousands of us around the world.

During this event, you will get to hear many testimonies to the transformational power of prayer as it emboldens and equips God’s people for their part in fulfilling the Great Commission.

We look forward to sharing more of this incredible story of what God has been doing through WPA with you!

WPA2 Hopeful Outcomes

If you are new to WPA 2.0, you may be wondering what you are going to get out of it?!

We can't really answer that! We do know that we are each called and bring our individual giftings and parts to the Body of Christ. We would encourage you to be expectant of great things, as the Lord leads you through this unique gathering. May He be guiding you every step of the way – speaking through His Word, your thoughts and prayers and the people you meet.

Here are some of the Outcomes that we have in mind, and are praying for – as a positive legacy of WPA2:

1. Exalt the Lord Jesus Christ as King over the nations through Worship and Prayer!
2. Mobilize 500+ cities across Indonesia to be united in prayer, mission and generations!
3. Create a strong “Family bond” between global prayer, mission and generational movements at the local, national and regional levels.
4. Sacred Assemblies - Humbling ourselves, repenting of our sins and returning back to God, Joel 2.
5. Pray together for the Gospel of the Kingdom to be proclaimed in power and demonstrated in love, in every nation, Matthew 24:14, Luke 10:2.
6. Collaborate together across nations, denominations, generations and movements for the fulfillment of the Great Commission, John 17 and Matthew 28:18-20.
7. Raise up the next generation, children and youth in prayer and missions, Malachi 4, Matthew 19:14.
8. Call for 110 million people to pray for 110 most strategic unreached cities on the earth, Psalm 110.
9. Identify key prayer movements and help connect them within nations and regions.
10. Build Regional Prayer Councils to see canopies of united, strategic and sustainable prayer.
11. Strengthen the connections between prayer, missions and generational movements.
12. Identify platforms and resources that will enable God's people to empower and share with others – multiply the impact of WPA2.
13. Cry out for Breakthrough in prayer for the many challenges facing our world today.

WPA Theme Songs

We would like to share with you two exceptional worship songs that were written especially for the World Prayer Assembly!

'As One We Stand' was written and recorded by Terry and Barbi Franklin from www.LoveSings.com | www.WorshipCity.com. It has been adapted for WPA 2.0

AS ONE WE STAND (World Version)

Who is the heartbeat of all nations
Who holds us in His Hand
He's the Lord of all creation
And before Him now we stand
You're the Alpha and Omega
No one can stop Your plan
Fulfilling Jesus' prayer for us
Surrounding every land

Chorus:

As one we stand
We Appeal to Heaven's throne
The world is yours
It belongs to You alone
Hand in hand we declare
Jesus is Lord
As one we stand
We worship You alone

From every generation
We humbly bow to You
There's a cry in all our hearts
For Your love we know is true
Confessing our complacency
And the idols we have made
We call to You for mercy Lord
Please heal this world we pray

Bridge:

Every nation
Every Christian
Every church in every land
We unify with one voice hand in hand

“The New Wave of Glory” by Simon and Frank Adahl

The lyrics of the theme song of the first WPA written and performed for us by the gifted Swedish singing team, the Adahls, still capture what the WPA is all about and what we are asking the Lord to do for us all and for our world.

[Listen to a clip on YouTube](#)

Let's use it as a guide to our prayers for the WPA once again. The New Wave has come and is flowing upon the nations!

“The New Wave of Glory”

Now's the time united we will stand
Stay aligned in every nation every land
From the north to the south
From the east to the west
A wave of glory will magnify His name

Let the new wave of glory
Flood the whole wide world
Holy Spirit send a fire upon us
Upon us.

Raise your voice
and praise the king of kings
so rejoice like an eagle spread your wings
From the north to the south
From the east to the west'
See the prophets words fulfilled
Walls will tumble down and fall
Oh were waiting to see the glory cover all

Let the new wave of glory
Flood the whole wide world
Holy Spirit send a fire upon us
And all over His kingdom
Let the prayers give birth
to this new wave of glory
upon us.

Introducing Indonesia

Indonesia, officially the Republic of Indonesia, is a country in Southeast Asia and Oceania between the Indian and Pacific oceans.

Population: 270 million (the world's fourth most populous country.)

Size: 1,904,569 square kilometres (735,358 square miles.)

Islands: 17,000 islands, including Sumatra, Java, Sulawesi, and parts of Borneo and New Guinea. Over half of the country's population live on the island of Java. Indonesia is the world's largest island country and the 14th-largest country by area.

Jakarta, on the island of Java, is the largest city in South-East Asia, the capital of Indonesia and home to over 10 million people. However, in January 2022, Indonesia's Parliament approved a bill to relocate the country's capital from Jakarta to a new city named Nusantara (meaning "archipelago" in Javanese) on the island of Borneo.

Indonesia has the world's largest Muslim population, with approximately 87% of the population identifying themselves as Muslims.

Climate:

- Largely hot and humid, with rainfall occurring mostly in low-lying areas and mountainous regions experiencing cooler temperatures.

Resources

- Fertile soils that support a variety of cash crops
- A major supplier of commodities such as coffee, rubber, timber, palm oil, and cocoa.
- Rich in mineral resources, in particular tin, nickel, cobalt and bauxite,
- Oil, natural gas and coal also provide important sources of income.

Modern Indonesia emerged after WWII. Previously it had been an important Dutch colony, given its strategic location and natural resources. On August 17th 1945, Indonesia was declared independent by the first president, Sukarno. Indonesia is

now a presidential and parliamentary democracy, headed by President Joko Widodo who is 3 years into his second 5 year term.

Indonesia is a country of beautiful islands and beaches, rich biodiversity and cultural heritage. It is a nation that values the closeness of family, the strength of community, and the selflessness of cooperative working.

WPA Distinctives

This document, originally written for WPA 2012 outlines our guiding principles.

A New Paradigm

The World Prayer Assembly will be a “new paradigm” for an international congress of ministry and marketplace leaders. It will be an Acts 13-type encounter with the living God who longs to reveal Himself to those who are listening and wanting to implement His strategies for “prayer-action” that will revive and transform our world. Five early church leaders at Antioch gave the Lord opportunity to speak. The result was the launch of the mission movement to the Gentiles that brought the Good News of Jesus Christ to Europe and eventually around the world, changing human history more than any other movement.

What will happen when ministry leaders, youth and children gather in Jakarta to do the same? We believe it will be a “new wave” of His glory. It has the potential to bring revival and transformation to the nations as the Spirit of the Lord through the global prayer movement, joining with the mission and marketplace movements, rises up like a mighty spiritual tsunami, flowing back across the nations!

Hearing from the Lord of the Church Many internationally renowned men and women of God as well as many prayer, mission and marketplace networks from around the world are meeting together here in Jakarta. Some political officials have also been invited.

We are not, however, gathering around great human personalities or important networks and organizations. We are gathering to seek the Lord of all the earth, the majestic God of glory, wisdom and love, and to hear from Him - directly - His presence will be the main draw because we are convinced that He will speak as we give Him the opportunity to do so. Every presentation will seek to facilitate prayerful encounter with God around a particular issue - so that we hear back from Him regarding His assignments for us corporately and personally.

Tri-Generational

The WPA will be tri-generational. Youth and children will help lead the WPA along with the adults. We recognize that God often uses the youngest and least known to convey His most important messages. We want to listen to what they have to say and pray. As we partner with the younger generations and encourage them to share in leadership, we believe the Lord will raise up many new Josephs, Daniels, Samuels, Esthers, and Deborahs to do exploits for Him in generations to come.

MAY 17th - 19th 2022

Track Sessions According to Calling and Assignment

During our day sessions, we will focus on various international issues, models of ministry and social spheres. Participants will have the opportunity to caucus according to their own choice and ministry calling. They will also hear updates on what is happening in that particular arena of concern.

Together they will seek God with others who share their same passion for His strategies of “prayer- action” for the transformation of that issue or sphere.

Unity of the Body of Christ

The atmosphere of the WPA will be characterized by openness to God and others from diverse traditions and movements within the Body of Christ. We will meet in fulfillment of Jesus’ prayer in John 17 for true heart-unity within His Body. It will be a time of listening to the Father, Son and Holy Spirit and sharing what we believe the Lord is saying.

Prayer Saturated

The WPA will be saturated with prayer in many different formats and styles - personal, contemplative, pairs, triplets and small groups. We will also join in prayer together in plenary sessions led by adults, youth and/or children from the platform. We want to be open to the richness of what the Spirit is doing and saying throughout the Body of Christ, not foolishly thinking that our way of understanding and practice is necessarily the only right way.

Learning Together

It will be an adventure of learning from the Lord and one another, as we enthrone Him, submit ourselves in His Presence and we watch Him do His wonders among us.

General Information

SOME HELPFUL GUIDELINES for WPA 2.0

John 17:21 is one of the anchor verses for the WPA. Its organizers believe the WPA will be a partial fulfillment of Jesus' prayer for our unity in Him-that we may experience this glory ourselves and become one as He and the Father are one so the world will also believe and experience this magnificent reality.

Here are some suggestions that will make your experience at the WPA 2.0 much more meaningful for you and others:

Be alert spiritually Let the Lord guide and speak to you through His word, still small voice and through others so you will be ready to play your important part in this corporate prayer encounter with Him and one another.

Meeting New People and Organisations

The WPA's Sardius Media conference platform gives us all the opportunity to network and connect with people in new ways! There are some online exhibition stands in the Prayer and Mission Connect Area for you to explore, and there is a unique Networking tool on the Watch Page! We trust that you will find this invaluable, as it creates an amazing way to share and pray with people you have never met before, with similar callings, ministry or interests.

Don't Get Screened or Zoomed Out!

Do take time to stay refreshed and hydrated between sessions. Watching and listening online can be tiring, even though it is extremely engaging.

Be careful about time!

Time zones can be confusing... It's so easy to miss a session by an hour either way! There is a handy online time zone calculator here: <https://www.timeanddate.com/>

Even though we are online, its still good to be on time for the plenary and regional sessions! Lets be in a place of prayer as we log on and take our virtual seats a few minutes before the sessions are scheduled to start.

Maintain unity in our diversity

Because there will be so many different Christian church traditions, including diverse

MAY 17th - 19th 2022

views and practices of spirituality and prayer from other nations and cultures, please refrain from any actions that would be offensive or disturbing to others. Let love be the controlling impulse for all you do and say as well as how you express yourself in worship and prayer. Respect and try to learn from others, letting sensitivity and humility of heart guide you, so that we can follow the apostolic command to “keep the unity of the Spirit in the bond of peace’

Prophetic words or tongues

Remember that the WPA is an encounter with the Lord and each other. It is not about us but about Him and His purposes for the global prayer movement and for the transformation of our world. It could be a once-in-a-lifetime opportunity to meet with God in such a diverse international online gathering, carried out in this unique Acts 13 style. Let’s give the Lord our full attention together and we will be amazed at how He moves and speaks as we listen corporately.

Please feedback to us!

If the Lord gives you a strong impression or word that you are sure comes from Him, please share it in writing in the chat or by email to wpa2022@ipcprayer.org We want to keep open before God who we believe will be speaking through many different people and in many different ways during this gathering.

110 Cities – Breakthrough Prayer!

2022 began with an awakening of focus on particular places around the world where the vision is to see Book of Acts style Kingdom transformation amongst all peoples and places.

98% of the world's unreached peoples live in just 110 cities! We are asking God to raise up 110 million people to pray 15 minutes a day for these 110 cities, praying for a Bible, A believer and a body of Christ to be established in each one of them...

This initiative was formed by a coalition of mission leaders, organizations involved with church planting and representatives of the global prayer movement.

During the season of Ramadan we piloted an online prayer initiative in support of 110 CITIES that aimed to mobilize prayer for an initial 24 cities.

Our next prayer campaign commenced on Sunday 1st May and started afresh with pressing into the key cities with some new prayer requests. During 2022 we will be covering 110 key cities where it is our united cry to see at least 50 communities of disciple makers for Jesus, established in each city. We are especially praying for people who historically have had little access to the Good News of Jesus.

Here is a [short video clip](#) highlighting the urgency of this year's canopy of prayer initiative.

Prayer walking teams in each city will be feeding back fresh insights and perspectives that we will add to the prayer fuel so that you have real time prayer requests and also answers to our prayers.

MAY 17th - 19th 2022

HERE'S HOW YOU CAN HELP:

1) Sign up! – please consider signing up to be a part of this new prayer campaign?

See 110cities.pray4movement.org/ The sign up blocks are just 15 mins daily.

Perhaps God might prompt you to sign up as a church home group and include the 15 mins prayer time in your gathering?

Maybe include the 15 mins at the end of a meal-time with your family?

Do invite others in your teams and churches to get involved.

2) Become a 'City Prayer Champion'

As we move through the coming months, it is our hope and prayer to develop prayer campaigns specific to each of the 110 cities. In order to see this come to reality we are asking for prayer champions per city.

A prayer champion's role is to receive updated prayer information from the teams living and working in that city, and updates from the prayer walking teams. These updates can then be fed into the daily/weekly information for the city focus prayer campaign.

Loading up the updates is actually very straightforward and there are people to coach you in this role. Please write to ethnejenny@gmail.com if you would like to get involved as a city prayer champion. (see [HERE](#) for the list of 110 cities)

This is an ambitious but strategic global prayer strategy that is accessible to the whole body of believers. The prayer information is already in 6 languages on the [website](#).

We would love to offer more languages. We hope to raise a global canopy of united prayer by mobilising 110 million people to pray for 15 minutes a day, every day, for blessings and breakthrough over these cities and all the unreached people who are resident in those cities.

Sign up today and join in what God is doing amongst the nations.

Core Convictions and Affirmations by Brian Mills

These biblical foundations of WPA were written 11 years ago and have stood the test of time! We would encourage all participants to read them.

We believe in certain fundamental Biblical statements. We wish to affirm that these undergird our approach in bringing together intercessors from around the world.

1. We are praying towards the fulfilment of the Great Commission (Matthew 28:18-20) and of the Great Commandment. (Matthew 22:37-39)
2. We believe that “the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea~’ (Habakkuk 2:14 & Isaiah 52:10)
3. We believe in a God who answers our prayer “before you call I will answer” {Isaiah 65:24, Jeremiah 33:3), and that the prayers that Jesus prayed will be answered - “Father forgive them” (Luke 23:34), “Your kingdom come your will be done on earth, as it is in heaven” (Matthew 6:9-10), and “that they may be one as we are one~’ (John 17:20-21)
4. Prayer is a unity between the Father, the Son, the Holy Spirit and us. The Holy Spirit prays with us and for us. (Romans 8:26-27) And Jesus is praying in heaven for us. (Romans 8:34) That unity and oneness is one of the goals of the WPA. We come from every tribe and nation, from three generations, and many denominations, speaking many languages from many cultural backgrounds. We wish to find and express our unity through the sharing of stories, vision, varying styles of both worship and prayer, and through the love of God shared among us.
5. God wants his house to be “a house of prayer for all nations.’ (Mark 11:17, Isaiah 56:7) What was true of the temple in Jerusalem in Jesus’ day is now true of God’s worldwide “house of prayer” - for all nations and among all nations. “The glory of this house will be greater than the glory of the former house~’ says the Lord Almighty. (Haggai 2:9)
6. The Father sent the Son to be the Savior of the world. Through accepting Him, knowing Him, and serving Him, not only are we changed, but every situation that we are part of should also be changed. The earth is the Lord’s and everything and everyone in it. (Psalm 24:1 paraphrase)
7. We believe in the manifestation of the kingdom of God. The kingdom of God is

near, (Luke 10:9-11) within us, (Luke 17:21) and around us. (Matthew 6:10&33 and Matthew 24:14) Some day “the kingdom of this world will become the kingdom of our Lord and of His Christ’ (Revelation 11:15) God wants His kingdom extended on earth.

What we are hoping for through and beyond this Assembly are for connections to be made across the nations, generations and denominations, around common areas of interest, leading to ongoing cooperation and strategy. We wish to see the Great Commission and Great Commandment worked out through transformation-focused initiatives and sharing of stories, vision, ideas and ways of working.

This Assembly should not be seen as one event, but part of a process of building waves of prayer across the globe, in which we are all engaged. We wish to emphasize that this is a World Prayer Assembly - not a World Teaching Assembly. As such we expect prayer (in its diversity) to be significantly part of every plenary and track, national gathering and stream. Any presentation or teaching should help develop this and flow into responsive and deliberative prayer.

Prayer Movement In Indonesia by Iman Santoso PHD

“LORD, my God, You have done great things: marvellous works and your thoughts toward us. There is no one who compares to you! I will try to recite your actions, even though there are too many to number.”

Ps 40:5 ISV

Introduction:

How can one live to the fullest? Pray to Jesus! (John 4:13,14). How can one meet God? Pray! (Mt 11:28). How can one know God? Read His Word & Pray! (2 Tim 3:16).

How can one see God at work? Believe in Him & Pray (John 14:12). How can nations see God's intervention? Obey God & Pray! (2 Chron 7:14).

Thus, to know & see God at work, Prayer is very fundamental. This is not only true whether in a believer's life, but also in the churches and society.

What?

The Contemporary prayer movement in Indonesia is a movement of United Prayer of God's people, responding to the challenges & opportunities of the day to see the nation blessed, transformed & be a blessing (Gen 12:1-3).

The Beginning & The Early Development:

The Indonesian Prayer movement started in 1990, 32 years ago. It began as a small group of Christian leaders, facing the overwhelming Challenges (toward a failed nation?) as well as Opportunities of the day (towards a transformed nation?). On the other hand, they were fully aware of themselves as weak & powerless. And therefore, they came together to pray, to seek the Almighty & Loving God.

They realized also that in the background of the common challenges that they faced, God's people, cannot be strong, if they stay exclusive from one another. Scriptures like Exodus 2:23-25 regarding Israel's Cry to God (because of Pharaoh's slavery in Egypt); Esther's prayer in Esther 4:15-17 and the prayer gathering that gave birth to the NT church (Acts 1: 13,14) inspires the Efforts in mobilizing prayers such as in national

disasters (earthquake, tsunami), crisis & general elections.

In the early years, the printed National Prayer Network Calendar (KJDN) was issued and published monthly. KJDN contents includes The Word, testimonies of answered prayers, analysis and assessment of the situation, prayer points for each day. All of these printed in booklets which were sent to many intercessors & prayer groups across the country and overseas. Today, praises & prayer points are sent electronically through WA, Facebook etc.

In the second half of the 1990's decade, in relation to the 1997 Asia Financial crisis, Indonesia experienced a great monetary & political turbulence. This then continued with the demand of the people for a Reformation of the nation. President Soeharto resigned in May 21, 1998. In this time of transition, the growing sectarian radical movements took advantage.

Challenges to the churches grew stronger, starting with the difficulties obtaining permits for new churches, to the closure and burning of the churches in various places. However, in these times of pressure, many people were led to prayer, prayer networks multiplied.

City Prayer Networks multiplied to hundred of cities across Indonesia by 2005. At the same time, Women's Prayer Network connecting Women's Prayer Groups from various denominations grew exponentially, so also with Student Prayer Networks on and off campus.

Then Prayer fellowships also grew in offices, as well as the Children's Prayer Network for the church, state and nation in hundreds of cities in Indonesia.

Calls for a national prayer for the nation and state in this crisis momentum were broadcasted through radio, newspapers, TV, etc. In the meantime, the prayer movement continued to grow through prayer facilitators training, seminars, consultations, conferences in many congregations, cities, regional and national levels. It has also developed a number of Schools of Prayer and other prayer activities.

National Prayer Gatherings

By May 16, 2003 for the first time a National Prayer Conference Celebration was held in Indonesia's Largest Stadium in Senayan, Jakarta. The attendance was around 80.000 people.

By May 5, 2005 a National Prayer Gathering took place for the 2nd time in Jakarta Stadium. This time all 100.000 seats filled-up. Attendance overflow to outside the stadium (Using TV sets). In coordination with the 1st TW Conference, God's people from many nations also attended the Celebration. Then this meeting was connected

to many other cities across Indonesia, each city in their own meeting place.

Top representative leaders of the Ecumenicals, Catholics, Evangelicals, Pentecostals, Charismatics, and various other Christian traditions came together, each with a prayer Torch in their hands, uniting together, igniting a United Prayer Torch. A number of people in witnessing what God has done, saw this with tears in their eyes. This meeting has given birth to the Transform World movement across the world.

Global Prayer Gatherings

It is truly a great honor to be part of the WPA (World Prayer Assembly) Gatherings. The 1st WPA was held in Jakarta in May 2012. Joint Committee Indonesia & Korea. This Conference was attended by 9600 Delegates from 86 nations & the prayer Gatherings in 378 other Indonesian cities at the same time.

We are now in the 2nd WPA, 17-19/5/2022 held again in Jakarta. This time, because of Covid-19 pandemic, meetings will be held in hybrid (Virtual & On-site). We are very aware that the Lord has done great things in many countries around the world. With all respect we would like to learn more from all of you. Let us maximize this great opportunity to be with one accord to pray for His New Waves of Revival for the salvation of the world (John 3:16).

Prayer and Our Co-Host Nations by Tom Victor

Indonesia and Korea, two of the most prayerful nations on earth, served as co-host nations for the World Prayer Assembly that took place in Indonesia in May 2012.

Prayer has played a the dominate role in the life of the Church in Korea from earliest days, beginning with major revivals in 1903 and 1907. When the Japanese occupation occurred during World War 2 and was followed immediately by the Korean war, the nation was reduced to “poorest nation” on earth status. But Korea was not poor when it came to the power of prayer.

From early morning to all night prayer, from prayer mountains to praying cell groups and a commitment to fast, the Korean Church is a prayer devoted nation.

In 1984 Korea invited the nations to come and pray with them at an event called the International Prayer Assembly for World Evangelization, (IPA). 3,000 delegates gathered with them for ten days to pray for the fulfillment of the Great Commission. In the middle to this ten-day assembly, they were joined by 300,000+ other Koreans, outdoors, for four days of fasting and prayer. A banner read, “Let the spark of prayer be the nuclear bomb of Holy Spirit.”

This International Prayer Assembly was seen by many as the birthing place of the current global prayer movement. But one of the most significant outcomes for Korea has been the unprecedented growth in global missions. Since the IPA in 1984 Korea has grown from 400 missionaries serving overseas to more than 23,000 serving in every nation on earth today. The churches across Korea have also seen unprecedented growth.

Indonesia has a similar story. My first visit occurred in May of 2002, at their National Prayer Conference. 500 leaders were expected but 1,500 showed up! 95 new citywide prayer networks began that week, growing from 128 to 223. 40 days of fasting and prayer had preceded the conference. One year later their National Prayer Conference saw 11,000 prayer delegates from 380 cities across the nation gather. Their citywide prayer networks would continue to grow to more than 500 cities.

Prayer across Indonesia has spread everywhere, from local churches to the marketplace and in almost every sphere of society. 24/7 prayer towers continue to spring up as do movements of prayer among students, women and children. On more than 30 return trips to Indonesia I would find myself hoping they were able to “maintain” their level of prayer and spiritual vitality. But they were not content to “maintain!” They always seemed to be going “further” in their pursuit of the God who is able to do immeasurably more than all we can ask or imagine.

As more than 9,000 delegates from 86 nations gathered for the World Prayer Assembly (WPA) in Indonesia in May 2012, we were all deeply impacted by the gifts of prayer, unity and mission that marked our co-host nations. Instead of 300,000 gathered for four days of fasting and prayer, the WPA gathered more than 100,000 in Indonesia's national stadium, including 20,000 children and 20,000 youth, for a four-hour prayer meeting. 378 other cities across the nation had simultaneous gatherings in stadiums and major venues, most connected by satellite to the national stadium, with a total attendance of somewhere between 3 and 4 million.

This New Wave of God's Spirit has only grown and multiplied in the ten years since that World Prayer Assembly gathering as global prayer, mission and generational movements continue to arise and multiply across nations and generations.

Our theme verse in 2012 was from Habakkuk 2:14. “For the earth will be filled with the knowledge of the glory of the LORD as the waters cover the sea.” It is the same theme verse for WPA 2022 - only now it seems so much closer to fulfillment. And we are convinced that God wants this more than we do!

‘Out of the Mouths of Children’ by Candy Marballi

Our children are in a battle for their lives. Satan, the master of deception, is devouring them and the question is what we should be doing as the Church to equip them to face this enemy.

We war not against flesh and blood but against spiritual wickedness. It is why we must be more committed than ever to insure our children put on the whole armor of God so that they may be equipped to stand against the devil and not just stand, but to stand firm, clothed in his righteousness and dressed in His armor then we read in verse 16 to **to pray in the spirit on all occasions with all kinds of prayers and requests to be alert and always be praying. Pray that whenever I speak words may be given me that I may fearlessly make known the Gospel.**

Prayer is foundational and fundamental to establishing a child in their walk with Jesus Christ. It is our mandate to teach children to pray. **Things we have heard and known, things our fathers have taught us, we will not hide them from our children but will tell the coming generation the praiseworthy deeds of the Lord and His power. Children need to know the power they possess through prayer and they need to know their voice counts in the Kingdom of Heaven.**

What is the prayer covenant and why has God unleashed this simple prayer strategy in 72 nations around the world?

1. Because it is Scripture based. Every line of the prayer is grounded in the Word of God.
2. Because it is Christ-centered. Every line of the prayer is inviting Jesus to do a work of transformation within us - sanctifying us and making us more like Himself.
3. Because it nurtures a child's relationship with the Living God resulting in sticky faith.

If we are not teaching our children to pray, we are not equipping them to stand against

the devil's schemes. If children are not hiding God's word in their heart, they are without the sword of the spirit and cannot possibly win the battle. Why was David a boy of 12 when he fought Goliath? What did God teach us in that story? That children who possess an unshakeable faith in an unshakeable God can face any giant and be victorious. Is it any wonder Jesus said, unless you become like one of these?

John 15:16 says, You didn't choose Me, but I chose you, that you should go and bear fruit, that your fruit should remain that whatever you ask in My name, I will do.

Millions of children around the world are asking God to impart His grace, love, compassion, forgiveness, commitment, dependence in their hearts and minds and He is responding. Heaven draws near when children pray because they come with a faith that says, "My Abba can do anything!" And because they are asking Him to give them everything He desires to give.

Why? Because He commanded that we love Him and love others; because he told us if we do not forgive others, we will not be forgiven; because He said our purpose for being on this earth is to glorify Him. And when children are praying "Fill me with your Holy Spirit," it is the same Holy Spirit you and I receive. When we say, Jesus, make me a messenger of your grace, truth, and justice. Use me for your glory and to invite others to follow you; they are praying the Great Commission - in obedience to Christ's commands.

There is a great untapped harvest force Jesus is raising up in these last days all over the world. We must not be like the disciples whom Jesus rebuked when the children tried to make their way to the Savior. Children, like adults, need vision, they need purpose, they need to understand their identity as children of the Most High God. They need to know they have been called for such a time as this.

And so we move from prayer to evangelism because as children are praying this prayer, they're becoming more and more like Jesus with His heart for those around them and they are making effective gospel grace messengers.

When the Prayer covenant partnered with Go Movement, God birthed Last Quarter Evangelism on the African continent. In one year's time it exploded and the result over a period of 12 months has been one million decisions for Jesus Christ - through the testimonies of the children.

In Psalm 8:2 we read, Out of the mouths of children and infants, God has ordained praise to silence the enemy! In Psalm 2:8 we read, Ask of Me and I will give you the

nations for an inheritance. God is using the prayers and testimonies of the children to win the nations.

Why do children make effective evangelists? They're relational! They're courageous! They're joy-filled and most people will not refuse a gospel tract from a child. They are grace filled messengers. My heart's desire is to see every denomination inviting the children and youth to be part of the end-times harvest force for Jesus. We must first teach them to pray and then teach them how to share their faith with others. Pastors, if we are to rely only on the adults it will take many lifetimes - the sad reality is that only a few percent of adults in the church pews are actively sharing their faith or feel compelled to make disciples.

When we equip and empower kids to be part of the evangelistic outreaches many things happen:

1. They understand their purpose as Christ followers
2. Serving fills them with joy - it captures their heart, and they fall more and more in love with Jesus
3. They're in for life; bearing lasting fruit.

God is birthing movements in some of the most populated nations in the world - and it's because "out of the mouths of children God himself has ordained praise to silence the enemy." So, let's join hands with the children - God is calling the generations to work together; the denominations to work together; ministries to come together in unity with one goal so that everyone on earth hears the Gospel.

World Prayer Assembly (10 Years of WPA) by Dr Niko Njotorahardjo

The World Prayer Assembly (WPA) is celebrating its 10th anniversary on the 17th - 19th of May 2022. I believe that there is a strong connection between the World Prayer Assembly (WPA) and the Third Pentecost.

The first WPA was held in SICC (Sentul International Convention Center) Indonesia in the year 2012, with the theme The New Wave is Coming. The central verse of this event is taken from Habakkuk 2:14 which says:

“For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea.”

I received the understanding that the first WPA in 2012 declared the coming of a new wave of outpouring of the Holy Spirit. This outpouring will happen in a mighty way and will fill the earth.

After the conclusion of the first WPA, God allowed me to go through a period of trials and tribulations for about 6 months. And only now do I realize that this period was a time of preparation for me to declare the beginning of the Third Pentecost in the Empowered21 conference in SICC, Indonesia, in the year of 2013. So, about 1 year after the first WPA.

It was then when I truly understood the meaning of Habakkuk 2:14 which says: “For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea.” This is a description of the Third Pentecost.

- The Third Pentecost is a mighty outpouring of the Holy Spirit in this age that will be even greater than what happened in Azusa Street.
- The Third Pentecost will bring about the greatest and final harvest of souls before the return of Christ.
- The Third Pentecost will raise up the Jeremiah generation, which is a generation of young people who are filled with the Holy Spirit, loves Christ with a burning passion, will not compromise with sin, and will win souls for Christ.

MAY 17th - 19th 2022

- The Third Pentecost is born in Indonesia and will spread to the nations.
- This movement will spread from the East to the West and back to Jerusalem.
- The Third Pentecost will give us power to fulfill “The Great Commission,” preparing the way for Christ’s return.

With that, I believe that the 10th anniversary of WPA marks the beginning of the great outpouring of the Holy Spirit in the Third Pentecost. This means that the season of harvest is here—the greatest and final harvest of souls before the return of Christ is here.

When the disciples asked Jesus about the signs of his coming and of the end times, the Lord answers in Matthew 24:14 which says, “And this good news of the kingdom will be proclaimed throughout the world, as a testimony to all the nations; and then the end will come.

Jesus will return. And for that, He gave us The Great Commission, to go and make disciples of all nations. To fulfill the Great Commission, we cannot rely on our own strength, but rather on the power of the Holy Spirit. And for that, before He ascended into Heaven, Jesus’ last message to His disciples—which means that this is also a message for us—can be found in Acts 1:8 which says, “But you will receive power when the Holy Spirit has come upon you; and you will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth.”

After Jesus ascended into Heaven, 120 disciples gathered in the upper room in Jerusalem. And what did they do? They persevered in prayer together. This means that they prayed, praised and worshipped God in unity, day and night. This is the principle of the “Restoration of the Tabernacle of David.” This is the principle of the prayer tower.

And after doing this for 10 days, on the day of Pentecost, the Holy Spirit Came upon them. They were given power from on high to fulfill the Great Commission. This was the First Pentecost. And the First Pentecost was awesome. Why? Because in the span of a couple hundred years, approximately 70% of the known world, which was under the rule of the Roman Empire, became Christian. But the question is, was the Great Commission fulfilled? And the answer is, not yet.

And so in the year 1906, the Holy Spirit was once again poured out in Azusa Street. A servant of God by the name of William Seymour was used mightily by God. This is the Second Pentecost. And the Second Pentecost was also awesome. Why? Because out of the Second Pentecost, the Pentecostal and Charismatic movements were born. And now there are about 700 million people who are Spirit-empowered. But again, the question is was the Great Commission fulfilled? And the answer is still, not yet.

For that, these days the Holy Spirit will once again be poured out in a mighty way. And this outpouring of the Holy Spirit is known as the Third Pentecost. I believe with this Third Pentecost, the Great Commission will be fulfilled and Jesus will return.

On the 20th of February, 2022, which was coincidentally also my birthday, the Lord spoke to me through Mark 4:29 which says, "...because the harvest has come." The season of harvest has come.

So, in welcoming this season of harvest, let us do these 3 things:

Firstly, we must continually proclaim that "the season of harvest is here. The season of harvest is here."

Secondly, we must spend more time in prayer, praise, and worship together in unity, day and night. We must spend more time in the prayer tower.

And thirdly, we must prepare our ministries to fulfill the Great Commission.

Maranatha. And God bless us all.

Our High and Awesome Calling as Intercessors By John Robb

“When the Church learns the power of prayer ... they will shake the world”- R.A. Torrey

In Old Testament Israel, the high priest would venture into the Holy of Holies to confess the sin of his people and carry out the vital business of intercession with God on their behalf. In the New Testament, Jesus, our high priest, extended this privilege of priesthood to all believers through the New Covenant and the shedding of His own blood. The apostle Peter proclaims that we who were washed with His blood have now become a “royal priesthood.”

We as New Testament followers of Christ have also been given the prophetic mantle that was once reserved for isolated prophets of old like Isaiah and Jeremiah. The Apostle Paul wrote to the Corinthians that “you can all prophesy.” In addition, one day we will actually rule and reign with the Lord as His royal heirs. In the meantime, however, through prayer we can utilize the awesome authority He gives to affect the nations, indeed our whole globe. As His chosen ones we are called to advance His purposes until that day when His glory covers the earth like the waters cover the sea.

Derek Prince, in his book *Shaping History through Prayer and Fasting*, made a stunning comment: “God has vested in us - His believing people on earth - authority by which we may determine the destinies of nations and governments. He expects us to use our authority both for His glory and our own good.” He based this astounding statement on Jeremiah 1:9-10. In that passage the Lord says He will put His words in the prophet’s mouth and in so doing will appoint him “over nations and kingdoms.” God’s words, spoken forth by an insecure, self-doubting teenager, would have a revolutionary impact, affecting the very life and destiny of societies. History bears out how accurately the God-inspired prophetic prayers and words of Jeremiah were fulfilled.

Centuries later, Jesus erupted with fiery rage at the Jerusalem temple when He found that a preoccupation with marketing and money had subverted the temple’s ministry and priesthood’s calling to be a “house of prayer for all nations.” What a tragic diversion had taken place since apparently the very wellbeing of the world and its peoples was dependent on the prayers from that place!

It could be said that the future of our planet is now in the hands and hearts of today's intercessors. These are people who share God's heart, allowing His Word and Spirit to guide their praying as they encounter the world in all its disturbing darkness and hopeful possibility. Having more access to latebreaking and comprehensive information than any other generation before us, we have an unprecedented and awesome privilege to shape history through prayer.

Theologian Walter Wink, in his thoughtful book, "Engaging the Powers: Discernment and Resistance in a World of Domination~' has penned one of the most compelling rationales for the importance of intercessory prayer and the profound influence it can exert on world affairs. He affirms, "History belongs to the intercessors, who believe the future into being ... These shapers of the future are the intercessors, who call out of the future the longed-for new present.'

Be assured that our heartfelt, faith-filled prayers will make a huge difference to the wellbeing of our world!

A HOLY WAVE IS FILLING INDONESIA WITH GOD'S GLORY AS THE WATERS COVER THE SEA: INDONESIAN MODELS & MOVEMENTS OF PRAYER & MISSION

Introduction: This is the day the Lord has made. We shall rejoice and be glad in it. Why? Because the Prophet Habakkuk assures us that the earth will be filled with the knowledge of the glory of the Lord as the waters cover the Sea (Hab 2:14). That promise applies to Indonesia and all nations. A new wave is coming at World Prayer Assembly II (WPA2). It is a Holy Spirit anointed wave. It is a holy wave. Indonesia shall be filled with the knowledge of the glory of God as the waters cover the Sea. That is the word from God to His people. That means Indonesia will be filled with the knowledge of the glory of God as the waters cover the Sea. It is only a matter of time. Almighty God said so through his servant Habakkuk a second time, as recorded in chapter three and verse three, "And the Holy One ... His splendor covers the heavens, And the earth is full of His praise." That is where we are in this World Prayer Assembly II. Indonesia is full of prayer and full of praise.

WPA2 will be a Holy Wave from the Holy One sweeping forth across Indonesia and her 17,000 plus islands. No doubt Indonesia will be full of the knowledge of the glory of the Lord as the waters cover the Sea. Isaiah the Prophet confirmed that conviction when he wrote chapter eleven and verse nine. It reads: "The earth is full of the loving-kindness of the Lord for they will not hurt or destroy in all My holy mountain, For the earth will be full of the knowledge of the Lord As the waters cover the Sea." The Holy Wave is sweeping across the nation and blessing the people of Indonesia and the World." That same Prophet Isaiah wrote in Isaiah 6:3: "I saw the Lord, high and exalted, seated on a throne: And one called out to another and said, "Holy, holy, holy is the Lord Almighty; the whole earth is full of his glory." The Holy wave is moving across Indonesia. We need to catch that wave. At WPA2, we must catch the wave. God's servant Moses expressed the same conviction: "but indeed, as I live, the glory of the Lord will fill all the earth" (Numbers 14:21). That promise includes Indonesia with each of her many islands. Indonesia has experienced a revival going back to the mid-1960s.

In the book *Like a Mighty Wind*, author Mel Tari reports that many teams were formed and began their evangelistic work throughout Timor in Indonesia and beyond in early October 1965, with many signs and wonders reported. One revival team from the Maranatha Church visited the town of Niki-Niki. During a two-week evangelistic thrust, nine thousand people professed their faith in Jesus Christ. Great prayer revival swept through Indonesia in the late 1960s and early 1970s, in which several Christian leaders from Indonesia today came to know the Lord. Christian servant-leaders of different generations come together in anticipation of another great revival in our day. God's servants have seen visions of the people of Indonesia and God's love for them. Today this vision is being fulfilled as the Church of Indonesia is coming into a season of greater unity.

In Indonesia, the Christian Church hosts the World Prayer Assembly II, as was the World Prayer Assembly I ten years ago, in an atmosphere of Holy Spirit revival and unity of the Body of Christ. Christian leadership in the nation has recognized that, for Indonesia to experience peace and wholeness as a nation of great diversity, there needs to be unity and synergy among believers in Jesus. The Indonesian Church has been a spiritual forerunner of global mission movements rooted in and realized by a national prayer movement over the last thirty years, such as, for example, the AD2000 Movement and The Transform World Movement.

The prophecy of Habakkuk has inspired a biblical framework for the Indonesian mission. By faith, we see a New Wave Coming at World Prayer Assembly II, by which Indonesia shall be filled with the knowledge of the glory of God as the waters cover the Sea. That is the Word from God to us through His Prophet. The fulfillment of that word will certainly take place. It is only a matter of time. And almighty God spoke through his servant Habakkuk a second time as recorded in chapter three and verse three, "And the Holy One – His splendor covers the heavens, And the earth is full of His praise." That is what we anticipate in this World Prayer Assembly II – an assembly of God's servants in person and virtual presence throughout all the world – full of prayer and full of praise.

This is the plan of Jesus, the Son of God, as was recorded by the Apostle Paul in Ephesians 4:10 "He who descended is Himself also He who ascended far above all the heavens so that He might fill all things. Among all things, Jesus will fill the nation of Indonesia. Paul the Apostle wrote a letter to the Church in Ephesus. In chapter 1 and verses 22 and 23 of that letter, he wrote: "God placed all things under his feet and appointed him to be head over everything for the church, which is his body, the fullness of him who fills everything in every way." As we seek God together at this World Prayer Assembly, the question is "how? Who better could answer that question than Habakkuk?" We must respond to God's revelation in three ways: prayerfully, personally, and proactively. Habakkuk, whose name means "he that embraces," was called by God to embrace the revelation he was to receive by God. He did so prayerfully, personally, perceptively with insight as to what God is doing "Look at

the Nations .. with concentration” “Watch the progress of what God is doing” in filling the earth with His glory and proactively as we hear Jesus say to his disciples while sitting on the Mount of Olives in relation to how to fulfill the word of Habakkuk 2:14 “And this gospel of the kingdom shall be preached in the whole world as a testimony to all nations, and then the end will come” (Mt 24:14). These nations or ethne refer to the people groups¹. “For evangelization purposes, a people group is the largest group within which the Gospel can spread as a church planting movement without encountering barriers of understanding or acceptance.”

Indonesia Christians have engaged prayerfully, personally, and proactively just as Habakkuk did from his prayer tower (see Hab. 2:1) as he said: “I will climb up to my watchtower and stand at my guard post. There I will wait to see what the Lord says and how he will answer my complaint.” In the climactic center of this revelation from God to his servant Habakkuk, between his beginning question, “how long must I cry?” and his final words, “I will rejoice in the God of my salvation,” we discover the reason for the rejoicing as stated in Habakkuk 2:14 which is this fact. It is because of an emerging transformed world as “The Task” is finished. This new world, with all of its peoples, will be filled with the knowledge of the glory of the Lord as the waters cover the Sea.

Conclusion: Paul and Barnabas accomplished the missionary “work” that the Holy Spirit had commissioned them to do in their day. Should we, servants of God, not accomplish the work that the Holy Spirit has commissioned us to do in our day in Indonesia and beyond? The repetition of the term “work” first appears in Acts 13:2. “As they served the Lord and fasted, the Holy Spirit said, ‘Separate Barnabas and Saul for me, for the work to which I have called them.’

As Paul and Barnabas were passing through Phoenicia and Samaria, they were taking time to meet with believers who were Hellenized Jews, “describing in detail” with the fullest and clearest declaration what God had done resulting in the conversion of the Gentiles (Acts 15:3). The present tense pictures Paul and Barnabas continually describing in detail the Gentile reception of the Gospel of Jesus Christ, the true and living God! Filling the earth with God’s glory includes the celebration of what God is doing among the unreached peoples of Indonesia as we are doing in this event and calls us together to work as one body, regardless of church or denominational affiliation. We are the Body of Christ. We are His servants called to do His will by filling Indonesia with God’s glory by making disciples among all the ethne², a church for every people by 2030. Now is the time. Now is the opportunity.

BOOK: Moravian Miracle - by Dr Jason Hubbard

The Moravians changed the world.

By God's grace, we will too.

The prayers of humble believers change the course of history. A band of ragtag worshippers discovered this truth in 18th-century rural Germany, launching a 100-year prayer meeting that birthed the modern missionary movement.

Often overlooked, the story of the Moravians comes to life in this incisive, devotional account. *Moravian Miracle* will fix your gaze on the glorious, conquering Lamb who is now gathering his church for one final prayer-saturated harvest of souls.

Dr Jason Hubbard is the Director of International Prayer Connect. Husband to Kristie, a father of three and a grandfather of four, Jason's desire is to be an extravagant worshipper of Jesus, a deliverer of men, and a godly family man. Jason also serves as a board member of America Prays, the National Prayer Committee, and Greater Commission Coalition.

WHAT OTHERS ARE SAYING:

'My dear friend Dr Jason Hubbard has captured the heart of one of the great prayer and missions movements in church history. *Moravian Miracle* is fascinating reading, and deeply motivating. Let us follow in the footsteps of these courageous, prayer-devoted believers and finish the task of the great commission in our generation!'

International Prayer Connections - Super User - 07 Aug 2021 - [Print](#) - [Email](#)

This is a second edition of this widely read and highly acclaimed book written by the respected father of the worldwide Prayer Movement - Brian Mills.

Have you ever wondered just why the darkness in the world today seems to be getting darker, and what can be done about it?

This book sheds fresh light on this topic, and on the spiritual nature of this darkness. It shines the light of Scripture on the evil one and on the way in which so many have become bewitched. This is a clarion call to the church and individual Christians to get ready to do battle with the powers of darkness, and to shine Christ's light more powerfully.

Brian Mills writes out of many years of experience in international prayer ministry.
